

Community Education is supporting Wellstone students at the Minneapolis Community and Technical College- MCTC. Starting on June 12/2017 about 40 Wellstone students will start their Summer College quarter.

We know getting College credits is not easy, that is why Community Education will be helping students with Tutoring, Advising and connecting them with professional opportunities through this quarter. Our tutors and advisors will be there, right on site, Monday to Thursday 10:30am to 2pm.

Please pay attention to this schedule so you know where to go inside MCTC to get essay, goal setting, and professional career advice. You will find: room and building number, tutors names and schedule.

See you on Monday June 12!!!
