

## 2017-2018 School Improvement Plan

**Goal 1:** 100% of students will complete long-term projects that are based on Minnesota State Standards and require effective collaboration and higher-order thinking.

**Goal 2:** Literacy Goal Focus on Oral Language: All students who attended Wellstone in 2016-2017 will do better in their oral English by the end of 2018 school year based on the ACCESS assessment.

**Goal 3:** Math Goal: All students will grow in their math knowledge and comprehension by the end of the school year based on their MAP or NWEA assessment.

**Goal 4:** Family Engagement: All students, parents/guardians and families will be provided information about the school, student's graduation pathway, and post-secondary options. All parents/guardians are included in communication about a student's academic progress through teacher contact, report cards including mid-term and parent teacher conferences.

**Goal 5:** Student Engagement Behavior: Wellstone will continue to train and utilize restorative practice to maintain or decrease the number of referrals that result in out-of-classroom time.

**Goal 6:** Student Engagement: Focus on academic passing rates of all students. Focus on decreasing the discrepancy between home languages in regards to the % passing quarter 1.

**Goal 7:** College and Career: 100% of seniors have a college experience. 95% of graduating seniors complete and submit an application to a post-secondary institute. 100% of graduating seniors have a post-secondary plan. 95% in FAFSA/Dream Act completion.
